The Newtown Board of Education believes it is not appropriate for the schools to provide any situations for students that will promote gambling or increase the likelihood they will understand games of chance and later choose to pursue them in their life. It shall be the policy of the Newtown Board of Education that no school-sponsored event run by students or for student participation shall introduce, operate, or otherwise teach aspects of gambling, such as, but not to be limited to, roulette, craps, twenty one, bingo.
